

National Japanese American United Methodist Caucus Summer Camp Scholarship Application Form

Junior High Camp Asian American United Methodist Summer Camp

Dear Parent and Applicant,

We are very excited that you are interested in attending summer camp this year and would like to do all that we can to help you join us for a great camp week! If you would like to be considered for a partial registration scholarship this year, please fill out this fillable form and submit online as soon as possible. **Final deadline for scholarship submission is June 1st.**

A limited scholarship budget will award scholarships based on personal circumstances; number of requests received and ability of the local church to provide financial support.

Independent of the scholarship amount you may receive; we encourage you to check with your local church for fundraising opportunities and subsidy. Please submit your camp registration online as soon as possible and note “**pending scholarship confirmation**” to determine balance due.

As part of the review process, we will be reaching out to your local pastor to inform them of your scholarship request in hopes there are ways we can work in cooperation of your local church to enable your participation in this year’s camp.

Please note that all information is confidential. We will only reach out to the local church Pastor a part of the scholarship review process.
